

## Kyo-sei Life Vision 2030

### Key Theme

# Safeguarding the Well-Being of Our Planet

Our aim is to provide products and services that are sanitary and convenient, as well as to contribute to activities that improve our planet's environment.

## Our Basic Approach and Strategy

At Unicharm, we believe sustainable growth entails all our businesses taking responsibility for the sustainability of the global environment, which serves as the foundation for our continuous growth. Accordingly, we have established environmental targets for Kyo-sei Life Vision 2030 and Environmental Targets 2030, and are making steady progress toward these targets across the Group. Moreover, in the field of nonwoven fabric and absorbent material processing and molding

technologies, Unicharm boasts a world-class research and development system and actively promotes the development of products that align with research themes, such as reducing environmental impact. Through these and other measures, we are driving innovation in our existing business domains.
