Notification of Acquisition of Shares in DSG (Cayman) Limited and Conversion into a Subsidiary

Unicharm Corporation (“Unicharm”) hereby today announces the signing of an agreement for Unicharm to acquire entire shares of DSG (Cayman) Limited (“DSGCL”), the holding company of DSG International (Thailand) Public Company Limited (“DSGT”) that manufactures and sells sanitary products in South East Asia, from its shareholders, namely DSG International Limited and North Haven Private Equity Asia Angel Company Limited.

1. Reasons for the Share Acquisition

Unicharm developed our 10th Medium-Term Management Plan in 2016 with the aim to accelerate the globalization and dramatic growth of our business. Under the plan, Unicharm are seeking to achieve consolidated net sales of JPY800 billion, a net sales compound annual growth rate of 7%, a core operating margin of 15% and an ROE of 15%, while addressing a number of social issues, to ultimately help build “cohesive societies.” As Unicharm work towards these goals, Unicharm have proactively expanded our business especially in high growth markets in Asia, as an important part of our strategy to concentrate on priority countries and regions.

DSGCL Group is a corporate group manufacturing and distributing disposable diapers for babies and adults, with business locations in Thailand, Malaysia, Indonesia and Singapore. DSGCL’s baby diaper brands include “BabyLove,” “Fitti” and “PetPet,” while its adult diaper brands include “Certainty.” The group has a solid market share and a high level of recognition in Southeast Asia. Especially in Thailand, where its population aging is expected to outpace that of Japan in the future, the group has built a leading position.

Unicharm have decided on the acquisition this time based on our conviction that the addition of DSGCL Group to our group will help (i) expand and improve our product lineup, enhance our market

position and realize the economies of scale in the Southeast Asia region, particularly in Thailand and Malaysia, and (ii) generate cost and other synergies through integration of logistics and other functions. In the years ahead, Unicharm would like to pursue those synergies to further drive growth in the Southeast Asia region.
